

IOWARN Water Emergency Preparedness Training
Johnson County Emergency Management Agency Operations Center
4529 Melrose Avenue □ Iowa City, Iowa 52246
Wednesday May 27

Johnson County EMA is partnering with Iowa Water Agency Response Network and Iowa Air National Guard to provide training for Water Operators, Hospital and University personnel on operating several portable water treatment units that could be used anywhere in the state during a water emergency. Water operators, Hospital and University campus personnel from around the state should attend this training to strengthen our emergency response capabilities.
